

9/4/25 - Cooking eggs has made me so
angry. Long fat. It gets harder and
lonelier. Easier?

9/8/25 - I can't know. It's okay either way.

9/15/25 - With time, you lose it. I don't know if you can die from not smiling, but it's worth looking into.

8/5/25 - I made a huge mess at breakfast and everything is too hot. Deep sighs and pimply thighs. Make an effort.

8/11/25 - I am grumpy and I am envious.

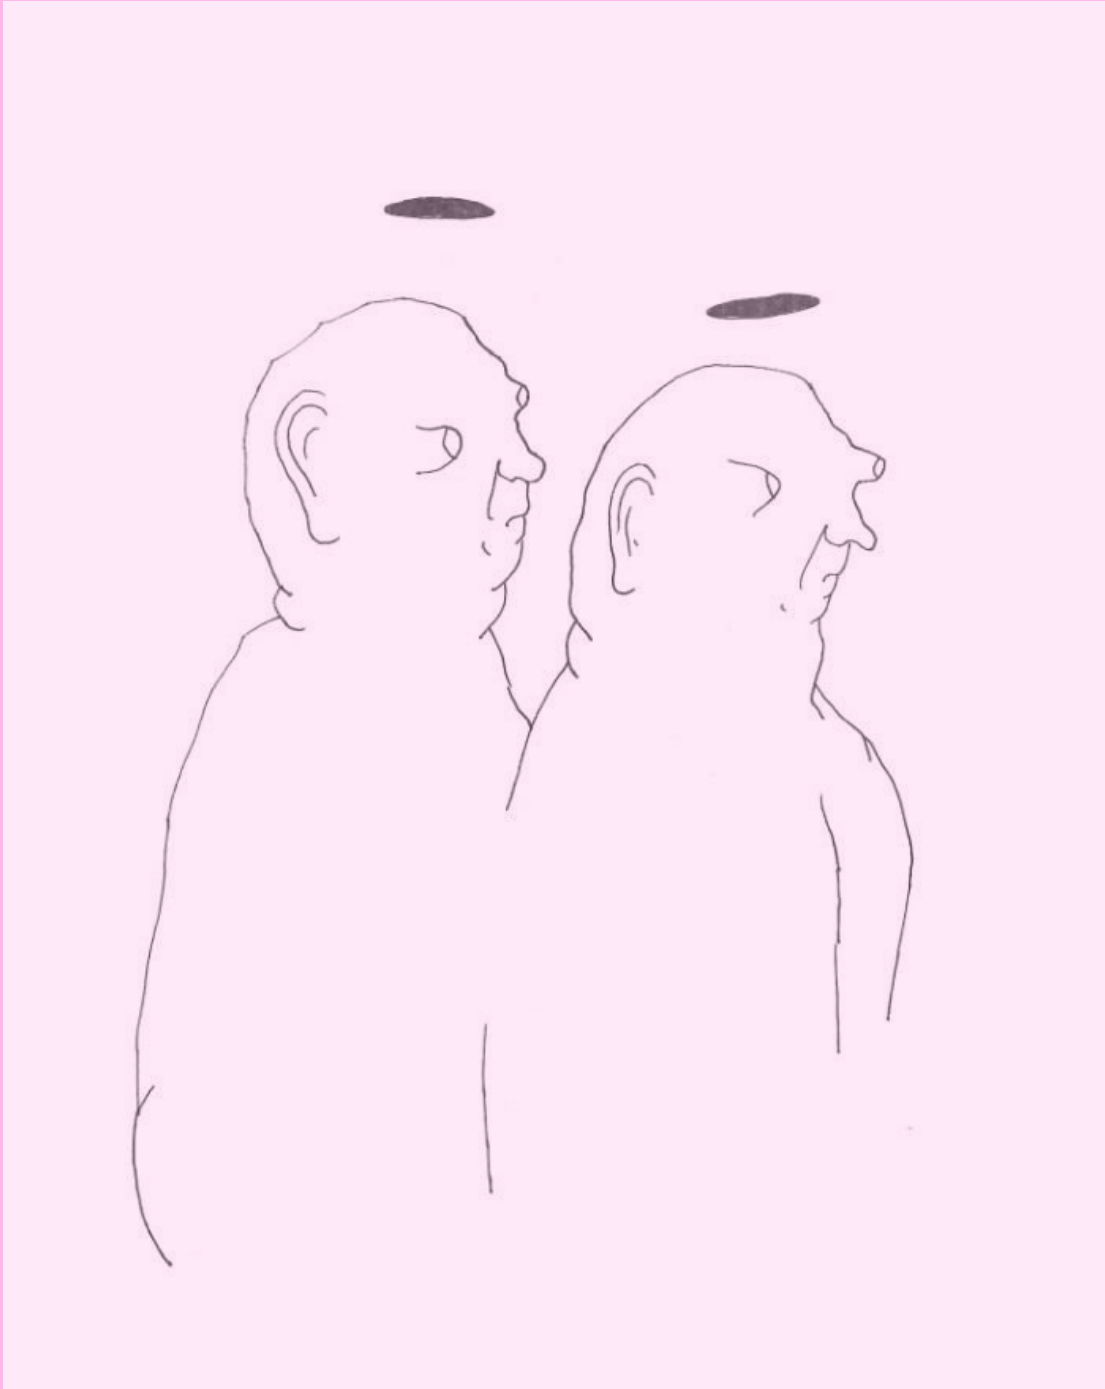

7/8/25 - Jesus Christ, the sounds I make
as I eat cereal. Why are my eyes
bloodshot? Always something.

7/10/25 - The Museum of Sad Older Men.

7/24/25 - I am, how you say, 'Paid the same either way.'

**6/18/25 - Hot orange brown dirty
carpet. Lord, I hope this day is good.**
